Career Objective:

Perspective engineer looking to work with an organization where my skills serve the needs of the organization as well as my professional appetite, consequently enhancing an environment of mutual growth.

Skills:

- **Programming Languages:** C, Python, java.
- **Skills:** Data Structures and Algorithms (DSA).
- **Frameworks:** Django.
- **DB Language:** SQL, MongoDB.
- **Web Technologies:** HTML, CSS, bootstrap.
- **Tools:** GIT & GitHub, flask Api, Visual Studio Code.
- **Coding Platforms:** LeetCode ([link](#)), HackerRank ([link](#)).

Projects:

- Developed a machine learning project to predict diamond prices, enhancing data analysis and predictive modeling skills.
- Developed a portfolio website using HTML, CSS, and JavaScript to showcase projects and skills.
- Developed a web scraping project for e-commerce using Flask and Python to gather and display data efficiently.

Achievements & Certifications:

- **Solved 150+ Problems in LeetCode:** Achieved a significant milestone in solving problems on LeetCode.
- **Problem Solving from HackerRank:** Demonstrated proficiency in Python problem solving through HackerRank's Basic.
- **Hackthon :**Runner up in mobile app development and introduction to internet of things and robotics conducted by kkr & ksr institute of technology and sciences

Education:

- B. Tech in Computer Science & Artificial Intelligence | KKR & KSR Institute of Technology and Sciences, Guntur with 8.62 CGPA
- Completed XII (State board) from NRI Jr. College, Guntur with 95 percentage (2021)
- Completed X (State board) from Neo Vision High School, Guntur with 10.0 CGPA (2019)

Responsibilities:

- Serving as a Technical Head for our department of Artificial Intelligence, I lead over 350 students to up-skill their technical abilities through various activities and events.
- Conducting dynamic upskilling sessions, empowering our junior students with essential coding skills and insights into the latest technologies as a passionate educator and mentor.

Academic projects:

- Developed a prototype of a fruit-cutting robot using an Arduino Uno and various sensors, demonstrating practical robotics skills.

Personal Details:

- **Name:** Komatigunta Sai Manikanta
- **Date of Birth:** 24 August 2002
- **Father's Name:** Komatigunta RAmesh
- **Strengths:** Adaptive, Self-learning and Self-motivated

Declaration:

I hereby declare that all the information mentioned above is true and correct to the best of my knowledge.

Place: Guntur
